

Dear operators,

BULLSHOOTER EUROPEAN CHAMPIONSHIP 2026

From **April 16th to April 19th, 2026**, we will once again experience one of the most important moments of the Bullshooter Europe season: the **European Championship 2026**. Four days of competition, community, and spectacle, bringing together the best players from across Europe in an environment designed for top-level performance.

EVENT SCHEDULE

In the coming weeks, we will share the **full event schedule**, including detailed timetables for each competition and activity, allowing you to plan travel, teams, and logistics well in advance.

OFFICIAL ACCOMMODATION – AGREED RATES

Double room **Half Board (HB): €42.75 per person, per night**

Double room **Full Board (FB): €48.25 per person, per night**

Children sharing a room with two adults: – Under 16 years old: **50% discount**

– 16 years old and above: **30% discount**

IMPROVED CONDITIONS FOR SINGLE ROOMS

The hotel maintains its policy of considering single occupancy rooms as double occupancy. However, this year we have achieved a **clear and meaningful improvement** compared to previous editions.

Players staying alone in a double room will **enjoy the Full Board regime**, while **paying the Half Board price for both places**.

In practical terms, a single player will **not be charged the full Full Board rate for two people**, but a reduced amount, while still receiving all included services. This represents a significant improvement for players travelling alone.

HOTEL RESERVATIONS

Reservations must be made directly via email to: capsalou@besthotels.es

The person responsible for event reservations, **Àngels**, will not be available until mid-March. Nevertheless, **you may already start sending your booking requests**, which will be temporarily handled by the hotel's central reservations team until her return.

IMPORTANT CHECK-IN RECOMMENDATION

Please note that check-in queues at the hotel can become lengthy, especially if a large number of players arrive at the same time. This may affect the punctuality of event registrations and, consequently, player participation.

To ensure a smooth arrival and trouble-free registration, we **strongly recommend completing the check-in as early as possible**.

REGISTRATION DOCUMENTATION – MANDATORY

Attached to this email you will find the **official Excel registration document**, which must be completed with:

- A full list of registered teams, clearly indicating the players assigned to each team.
 - If any registered players are not assigned to a team, they must be listed separately after the team list.
 - The national selection team, where applicable, including its full composition.
-

SUBMISSION DEADLINE

The **deadline for submitting the registration document is March 29th, 2026**.

DEADLINES, SURCHARGES AND ELIGIBILITY REQUIREMENTS

- Documents submitted late will incur a **€10 surcharge per player** if received within 5 days after the deadline (March 29th, 2026).
- After this period, the surcharge will be **€20 per player**.
- Players registered after the deadline **will not be allowed to participate in the team event**.
- It is mandatory to attach the **League Leader reports** showing each registered player's average.

To be eligible for the European Championship, each player must have completed a **minimum of 20 cricket games**, in a **finished league** managed through League Leader.

For players who participated in the **European Team League**, league averages can be consulted on www.bullshooter.eu, under the **Leagues** section. Within each league group, you will find a link to the **league report**, which displays each player's individual average.

This **league report must also be attached** together with the registration documentation.

The **mandatory format** for league reports is **Excel**. **No other formats will be accepted**, including screenshots, PDF files, images, or any documents not directly exported from League Leader.

Furthermore, **no player belonging to an operator who is not fully up to date with payments to Bullshooter Europe** at the time of registration closure will be admitted.

TEAM EVENT – COSTS AND FREE ENTRIES

- The team event has a **cost of €20 per player**, to be covered by the operator.
- Each operator is entitled to **free team event entries equivalent to two players per machine registered** in the sports calendar.
- Any players exceeding this allowance will be charged **€20 per additional player**.

Practical example:

An operator with **5 registered machines** is entitled to **10 free entries** for the team event. – With teams of **4 players**, the operator may register **2 full teams (8 players)** free of charge and still have **2**

remaining free spots. – Registering **2 teams (8 players)** → **€0 cost.** – Registering **3 teams (12 players)** → **€20 per each of the 2 additional players** (total **€40**).

These free entries apply **exclusively to the team event** and **do not affect individual events or other European Championship competitions**, which maintain their standard registration conditions.

This system ensures a fair balance between participation, infrastructure, and event sustainability.

We encourage you to start preparing your teams. The European Championship is not just a competition, it is a showcase of the work carried out throughout the season and a meeting point for the entire Bullshooter Europe community.

For any organizational or sporting questions, please do not hesitate to contact me.

Kind regards,
